

WINTHROP PREMEDICAL STUDENTS APPLICATION DEADLINES FOR STUDENTS APPLYING IN THE UPCOMING CYCLE

12/01 Register for Spring MCAT. **Strongly recommended** that you take MCAT by **April** (so you can review your scores before applying). Also, be sure to continue to meet with your non-resident advisor.

2/11 4:00pm	Winthrop Pre-Medical Information Form and Questionnaire due Personal statement (early draft fine) and Resume
------------------------	---

3/01 *Letters of recommendation should be requested by this date.*

4/15	ALL RECOMMENDATIONS <u>MUST BE RECEIVED BY THE HOUSE</u> (see http://www.aamc.org/students/applying/admissions.htm for list)
-------------	---

May 1 **Begin AMCAS application** (usually available online by first week of May). Submit requests to Registrar's Office to have transcripts sent to AMCAS (check AMCAS website for request form). These can be requested to be sent after grades have been turned in. Ensure that the Resident Dean's office has an up-to-date summer address, email, and telephone number before you leave town!

Jun	Submit completed AMCAS. Application should also be submitted to the Resident Dean's Office (the earlier the better).
------------	---

Jul - Aug Non-resident tutors begin writing Dean's letters **if all above-named materials have arrived**. Completed Dean's letter will be sent electronically to participating Virtual Evals schools. Packets of hard-copy letters can be mailed to non-participating schools. Materials to be sent to either electronically or via U.S. mail include:

- Letters of recommendation (indicated on Winthrop pre-med form)
- House recommendation letter

Aug-Sept Applicants begin filling in secondary applications. Ideally **all** secondaries should be submitted **no later** than the middle of September to ensure consideration by all medical schools.

Aug-Mar Interviews at schools after secondaries have been received and applications are complete

~Mar 15 MD/PhD programs *required* to have extended acceptance notifications to students

~Mar 30 Medical Schools are *required* to have extended acceptance notifications to students

~May 15 Students must have informed medical schools of their decisions to accept. Waitlists officially open
